**Newport, Oregon**

**Minutes**

**PRESIDING:** Jean Turner, Chairman

**Present:** Jean Turner, Chairman; Jana Cowan, Vice-Chairman; Ron Beck, Brenda Brown, Directors

**Also Present:** Tom Rinearson, Superintendent; Laurie Urquhart, Secretary; approx. 20 members of the staff, media and interested patrons

**Call to Order- Establishment of a Quorum**

Chairman Turner convened the meeting and called the session to order at 7:05 p.m. with a quorum of four board members present. Director Coulter was excused from the meeting.

**Life of an Athlete**

Operations Administrator Joe Novello and Wendy Rudy (of PAADA) presented a new student athlete drug/alcohol prevention program, "The Life of an Athlete." The program was made possible by a grant obtained by the Lincoln Commission on Children and Families, and will address Oregon Administrative Rules 581, Division 22 standards. Data indicates the use by area teens of drugs and alcohol is up; the new program is educational, corrective and restorative. The use/abuse of steroids and over-the-counter medications are also included.

This comprehensive approach is more of a philosophy than a program, said Rudy. It is geared to describing and maintaining chemical health (i.e., energy drinks, lack of sleep, etc).

The program is stricter than the current one. Training of coaches will take place each August, prior to the first practice. There will also be parent/student meetings before each sport. Ms. Rudy will share information on the program with service clubs and others to increase community awareness.

**Discussion on the 2009/10 Budget**

The Board generated topics and questions for this portion of the agenda:

**1. List generated by Brenda Brown regarding the 09/10 budget, with special emphasis on facilities/maintenance fund.** The Board reviewed the list of questions and their responses previously distributed. In response to a request to discuss a statement in the budget message ("conversations in the future that may not fit with schools in every community"), Superintendent Rinearson noted expected revenue will likely not cover increased cost of employees, PERS bonds, etc. and schools in every community. "At some point, these lines are going to cross and we will have to address it. I don't want

to leave it for someone else to deal with," said the Superintendent. Director Brown asked to discuss this topic in an upcoming board retreat.

The remaining items on the list of questions were reviewed. Mr. Rinearson reminded Board members that the responses were based on the use of cash reserves next year. Since that time, new staffing sheets have been distributed to school principals to preserve cash.

Director Brown stated she would like to discuss the facilities/maintenance budget with Director Belloni in more detail at a different time.

**2. Arcadia building; ideas from Toledo Site Council.** The Toledo Jr./Sr. Site Council developed a proposal for use of the Arcadia and Mary Harrison former school buildings, and community member Jack Dunaway shared some of the proposal at a Budget Committee meeting. During this agenda item, Director Rich Belloni responded to ideas in the proposal.

The proposal suggested selling the Mary Harrison building, which had been assessed at \$3,110,380. Mr. Belloni commissioned an appraisal, which came in at \$860,000. He stated the Board may choose to sell the property, or not.

The proposal next discussed potential savings by using the Arcadia building differently, specifically suggesting the District Office (D.O.) be moved there and the current D.O. building be sold. The proposal also mentioned savings in utility costs. Mr. Belloni noted the Arcadia building could be used to house LCSD students again when portables at Toledo Elementary are replaced. Also the District's homeless program was moved to the Arcadia building recently.

Mr. Belloni explained the district has an agreement with Lincoln County specifying that the first \$100,000 from the sale of the District Office property goes to the County. The remainder of the proceeds would be split evenly between the District and the County. As the building is assessed at \$236,750, this would mean a one-time influx of \$68,375.

Currently, the District rents portions of the Arcadia building to Mid Coast Christian School (\$20,000 per year), and a day care facility (\$24,000 per year).

The proposal noted the location of the Arcadia building as being 10 minutes from Newport, and being technologically available for electronic meetings. Mr. Belloni stated his belief that significant amounts of time would be lost traveling to and from Newport to meet with agencies there. He also noted the Arcadia building would need a fiber connection at a cost of approximately \$25,000 to \$30,000 plus monthly fees. In addition, require substantial rewiring for offices would be needed.

Mr. Belloni also said moving Technology staff to Arcadia would not be efficient, saying if they move to Toledo, they should be at the same location as facilities/maintenance and contracted services.

**3. Cost to run school based health centers.** Business Manager Julie Baldwin distributed a handout describing Medicaid Administrative Claiming ("MAC") wherein LCSD is reimbursed by the federal (Medicare and Medicaid) and state (Oregon Department of Human Services- DHS) governments for administrative activities performed by school employees in support of the state Medicaid plan. Anticipated revenue in the 09-10 year is approximately \$172,662.

The District pays for utilities at the school based health centers, along with minor maintenance.

The Superintendent noted his recommendation to cut \$100,000 from school based health centers for the coming year. He said he has information from the county (DHS) as to what the program would look like at this level, but has not had time to examine it yet. The Budget Committee did not take money out of the school based health centers, said Mr. Rinearson.

Director Cowan noted the Superintendent's recommendation at the last Budget Committee meeting to retain \$1.2 million in the 09/10 budget. The Superintendent said he recommends appropriations remain as they are now, unless the board would like to change cash reserves. "We will not likely know by next Tuesday, though we are getting closer. Most likely, we will adopt a budget that does not truly reflect the spending plan."

**Co-Curricular.** At the last Budget Committee meeting, the Superintendent recommended a reduction of \$100,000 to co-curricular budgets. He explained in high schools, the funds are distributed on a per student basis. Principals met, said Mr. Rinearson, and found "another way to do it." He expressed reservations with the plan though, saying if Toledo ends up with additional funding from the state due to the small high schools bill, they do not need to be doubly subsidized.

Just prior to the May 28<sup>th</sup> Budget Committee meeting, Director Cowan asked detailed questions about revenue and expenditures pursuant to co-curricular activities. As the information requested would have taken a great deal of time to gather, Ms. Cowan met or talked to high school principals about her question. She offered to share the information at the board retreat. "My concern at the beginning was that we are spending about \$500,000 on athletics; what about other things?" She suggested discussing this in more detail in preparation for next year's budget. Mr. Rinearson noted perhaps Mr. Zagel could share at a board meeting the same information as he did with Ms. Cowan.

**Site Based Decision Making.** Chairman Turner said she is in favor, and has been all along, of moving decision making to buildings. With the current financial climate, she wondered if it would be prudent to return some decision making centrally. "I am worried now; can we make this work?" asked Turner.

Director Beck noted his support for site based decision making. "If we do what is fair, schools will do what is right," said Mr. Beck.

Superintendent Rinearson noted the Board could, as an example, ask that only certified teachers teach certain subjects. This would then be added on staffing sheets and subtracted from the larger "pie." (This would have to occur much earlier in the process).

**Cost Savings Ideas.** Director Brown said this could be combined with the last topic of the evening ("The Budget Process- when does the Board begin generating questions, etc.?). "I think we need to talk about how we can save a dime. \$10,000 here and \$10,000 there eventually adds up to a teacher," said Brown.

Superintendent Rinearson replied that is happening at the site level. "We had 11 more teachers the first year we tried site based decision making than if we had done it centrally." Ms. Brown said everyone brings something different to the table.

Director Beck noted the District could see an exodus of students as programs diminish. Mr. Rinearson agreed, and added the IB program is actually bringing in revenue. He said this is more of a long-range conversation; "we need to be looking three to five years down the road."

### **Other**

Brenda Brown asked for clarification on two enrollment sheets distributed at the last Budget Committee meeting. Julie Baldwin explained one sheet has charter schools included and the other does not.

Chairman Jean Turner stated the Board will be considering adoption of the budget approved by the Budget Committee, knowing that lower levels of spending will take place. She asked if anyone wanted any changes. The Superintendent noted the Board will need to meet as soon as possible after the legislature completes its work in the event it is necessary to close any schools. He said there may be something to share in the coming week, and said it is beneficial to let communities know first and get their perspective.

Mr. Rinearson asked if Board members would like to meet with administrators in their respective areas to learn about spending plans in that area; the Board expressed consensus to do so. Director Brown may attend all of the meetings.

Ms. Brown asked if a four-day school week had been costed out; the Superintendent replied it had and that we would lose food service dollars. Mr. Beck noted we are nearly at a four day week now (not budgeted, but de facto). Mr. Rinearson noted that scenario is much more complicated than could be accomplished for next year.

Director Beck said many things are still in flux and that we will know more later.

Superintendent Rinearson stated he felt there should be a Board organizational meeting as well as a retreat in July.

The meeting was adjourned at 9:15 p.m.

**Board of Directors- Regular Session**  
**Tuesday, June 23, 2009- 7:00 p.m.**  
**Newport High School**  
**Newport, Oregon**

**Minutes**

**PRESIDING:** Jean Turner, Chairman

**Present:** Jean Turner, Chairman; Jana Cowan, Vice-Chairman; Brenda Brown, Director

**Also Present:** Tom Rinearson, Superintendent; Laurie Urquhart, Secretary; approximately 50 members of the staff, media and interested patrons

**Call to Order- Establishment of a Quorum**

Chairman Jean Turner convened the meeting and called the session to order at 7:25 p.m. with a quorum of three board members present. Directors Ron Beck and Amy Coulter were excused from the meeting.

**Public Hearing, 2009/10 Budget**

The Board recessed into a public hearing of the 2009/10 budget approved by the Budget Committee on May 28, 2009.

Toledo teacher Ron Hahn stated his belief that as many as eight teaching positions could be saved by eliminating three administrative positions at the District Office (Director of Support Services, Operations Administrator, and Curriculum/Instruction Administrator).

Parent Clifford Ryer expressed his concern with reducing one teacher at Isaac Newton Magnet School. He noted the school is the only one in the district receiving state report card ratings of "exceptional."

Newport teacher (and parent) Lori Miller asked if the possibility of closing a school could be revisited if the state legislature appropriates additional funds. The regular session then resumed.

**Communications**

Ms. Lori Miller addressed the Board regarding processes (including those for 504 plans and IEPs) and "thinking out of the box."

Newport High student Katlyn Beck asked the Board to retain NHS band teacher Matt Sadowski, saying he has vastly improved the band.

**Board Reports**

Director Brenda Brown reported both houses of the state legislature approved the "small schools" bill, which will result in additional funding (approximately \$386,000 per year said Ms. Brown) for Toledo High. Chairman Turner thanked Ms. Brown for her concerted efforts on this legislation.

**Insurance Carriers, 2009/10**

District Agent of Record Mark Collson summarized insurance proposals for the coming year. He recommended PACE/Special Districts for liability, property, and auto insurance, and SAIF for workers compensation insurance. Cost for this coverage will be neutral from the present cost, said Collson. Last year the District, based on Mr. Collson's recommendation, decided to stay with PACE over another carrier, despite the slightly higher premium at PACE. Policy holders at PACE have equity in the company; that equity resulted in over \$15,000 being returned to the District to offset premiums.

### **Cognitive Guided Instruction/Improving Math Achievement**

Mentor teacher Deb Gaffney described several programs ongoing in the District to improve student achievement in mathematics, including: •**Cognitive Guided Instruction** (helping teachers understand how students learn and providing effective teaching strategies); •**Math Instructional Coaches K-8** (two trained math instructional coaches will support staff in implementing the new national and state math standards); •**Moving Math Forward** workshops (ODE-sponsored training focused on understanding and implementing new K-12 National Council of Mathematics standards); •**Math Alignment Project** (north area project lead by teacher Allison Samuels over the past four years to align math instruction); and •**High School Math Cadre meetings** (facilitation of high school math discussions by Brian Hanna and Teresa Atwill on how to implement new national standards).

### **West Area Report**

Newport High Principal Jon Zagel reported 151 seniors graduated from NHS this year. Approximately 90% of these students stated they will be continuing their education. He noted two ongoing summer programs in the west area: the 21<sup>st</sup> Century learning center and the SEAS (Science, Engineering and Art School) program.

Mr. Zagel described the process leading to the possibility of the reconfiguration of schools in the west area for next year, saying a "perfect storm" of conditions exists with declining enrollment, rising costs and less funding from the state. With substantial reductions looming, it became evident that keeping all four schools open would result in draconian cuts to all of them. West area principals are recommending restructuring schools in Newport and the closure of one elementary school (which one is not yet decided). The current plan is for a K-3 school (also housing the pre-school), an intermediate school with grades 4-5-6 (and housing Isaac Newton Magnet School), and grades 7-12 at the high school, though grades 7 and 8 will be a prep academy.

"This is the hardest thing I've ever had to do," commented Zagel. He said the west area administrators believe it is the best decision for kids, and will save teachers and programs. Chairman Jean Turner said the discussion is continuing, and said though every area in the district has had to make similar changes it does not diminish the pain felt in the west area.

A community meeting for patrons to hear the plan and give input or ask questions is planned for Tuesday, June 30, 2009- 6:30 p.m. at Newport High School. The Board will learn more about the proposal in a work session July 7, and will be considering it at their July 14<sup>th</sup> regular session meeting.

### **Financial Report**

Business Manager Julie Baldwin shared financial reports as of May 31, 2009. She reported state timber revenue is down in Lincoln County, and said interest rates continue to decline. The ending fund balance for the 08/09 year will be about \$2 million.

### **Superintendent's Report**

Superintendent Rinearson thanked Chairman Jean Turner for her service as Chairman this year, and presented her with a plaque.

The Superintendent reported Facilities Manager Tim Kaufman was recognized by the Oregon School Facilities Management Association as a "Certified School Facilities Specialist." He was also pictured in the newsletter.

Mr. Rinearson gave kudos to Oceanlake Elementary for winning the attendance flag for May.

The Superintendent thanked Fred Meyer for their donation of \$3,278 to the District from their "Support Our Schools" campaign. Selected vendors donate \$1 for each of their items sold during a nine week period.

Superintendent Rinearson reported the Board will be meeting in several meetings in July: a work session July 7 (7:00 p.m., Newport High); a retreat work session July 10 and 11 (location to be determined), and a regular session July 14 (7:00 p.m., Newport High).

#### **Approval of the Consent Calendar**

**Motion 08/09-46**

On motion of Director Cowan, seconded by Director Brown, the Board unanimously approved the Consent Calendar items, including:

- Minutes of the May 12, 2009 Regular Session;
- Life of An Athlete Program;
- Regular Personnel Items and Addendum;
- Food Service Contract, Sodexo, 09/10.

A proposal to give termination notice of the agreement for school based health centers was removed from the Consent Calendar due to a conflict of interest (Jana Cowan) and the fact that only three board members were present. The Superintendent is recommending the centers' protocols be reviewed to ensure student safety; it is intended they will continue operations. This item will be considered at an upcoming meeting.

#### **Approval of Charter- Siletz Early College Academy**

**Motion 08/09-47**

On motion of Director Brenda Brown, seconded by Director Jana Cowan, the Board unanimously approved the charter contract for Siletz Valley Early College Academy for the July 1, 2009 through June 30, 2014 time period.

#### **Approval of Charter- Eddyville Charter School**

**Motion 08/09-48**

On motion of Director Cowan, seconded by Director Brown, the Board unanimously approved the charter contract for Eddyville Charter School for the July 1, 2009 through June 30, 2014 time period. The enrollment cap of 200 students will remain as is.

#### **Approval of 09/10 Area Calendars**

**Motion 08/09-49**

On motion of Director Brown, seconded by Director Cowan, the Board unanimously approved the area calendars for the 2009/10 school year as distributed June 23, 2009. Calendars in the east, west and south areas of the District are very similar, with school improvement days occurring on Mondays.

In the north area, Taft 7-12 will be going to a four-day regular school week with Fridays set aside for staff development and student remediation.

The calendar for elementary schools in the north area is very similar to the one used this year, with a five-day regular school week. School improvement days will occur on Fridays for the north area elementary schools.

Mr. Rinearson noted the proposed realignment of west area schools may see a change in that calendar. Staff will look at the number of instructional minutes to ensure compliance with state requirements.

The calendars may be accessed on the district's website, [www.lincoln.k12.or.us](http://www.lincoln.k12.or.us).

**Approval of Writing Prime- Planned Course Statement and Syllabus** **Motion 08/09-50**

On motion of Director Cowan, seconded by Director Brown, the Board approved the syllabus and planned course statement for a new course at Waldport High School: Writing Prime. The course is designed to assist students struggling with writing. With the Board's approval, all district schools may access the course.

Assistant Principal Brian Gardner presented this item, and reported teacher Kathleen Ritzman contributed significantly to the effort.

**Approval of Resolution 2008/09-13 Adopting 2009/10 Budget** **Motion 08/09-51**

On motion of Director Cowan, seconded by Director Brown, the Board unanimously approved Resolution 2008/09-13 adopting the 2009/10 budget as approved by the Budget Committee May 28, 2009. The budget delineates an appropriation level that is likely higher than the spending plans to follow.

Chairman Turner noted one rationale is that if the District were to receive additional revenue, it could be spent without reconvening the budget committee.

Ms. Baldwin said many parts of the budget will not change, i.e., the debt service fund, the levy amount, and the tax rate.

**Approval of PACE and SAIF Insurance Carriers** **Motion 08/09-52**

On motion of Director Cowan, seconded by Director Brown, the Board unanimously approved PACE/Special District of Oregon for general liability, property, vehicles, and errors/omissions insurance, and SAIF for workers compensation insurance for the 2009/10 year.

**Approval of Facilities Agreements** **Motion 08/09-53**

On motion of Director Brown, seconded by Director Cowan the Board unanimously approved agreements for rental of space as noted in the June 23, 2009 board folder. Director Brown stated she concurs with the agreements, "as long as they have the 30 to 90 day termination clauses."

**Approval of Resolution 2008/09-12, Certification of Election Results** **Motion 08/09-54**

On motion of Director Brown, seconded by Director Cowan, the Board unanimously approved Resolution 2008/09-12, Certification of the May 19, 2009 Special District Election Results. Directors Beck, Cowan and Turner were re-elected to four year terms in the election.

**Oaths of Office**

Business Manager Julie Baldwin administered oaths of office to Directors Cowan and Turner.

## **Discussion of 2009/10 Alternative Education Programs**

Operations Administrator Joe Novello presented a list of alternative education programs for the 2009/10 year. They are the Toledo High Alternative program, the Carolyn Brown School, and Insight School of Oregon. Insight School, an online high school, serves students from all four district high schools plus one middle school student. The list will return to the Board for consideration at the next meeting.

## **Information on Lincoln City Career Tech Report**

Operations Administrator Joe Novello reported Lincoln City Career Tech staff sent the school's annual report electronically prior to the Board meeting. Mr. Novello noted great strides have occurred in the school's program.

## **Information on New Field Trip Form**

Mr. Novello noted a recent arbitration decision was the impetus to a revised field trip form for the district. The form adds several components, including an overnight supervision plan.

## **Title Audit- Corrections on Findings**

Earlier this year, the district took part in an audit of Title programs by ODE. Title Programs Administrator Clint Raever presented a corrective action report to the Board under separate cover. Mr. Raever is working closely with ODE to correct the findings (mostly related to notifications and non-uniformity of program implementation).

## **Discussion on 2009/10-1, Organizational Resolution**

Business Manager Julie Baldwin presented the annual "Designation of District Officers, Clerks, Agents and Depositories of Fund" resolution. Changes for the coming year include the change in ADA coordinator to the Director of Human Resources and the Director of Support Services; lowering of the mileage reimbursement rate to \$0.55 per mile; and Budget Committee vacancies in Zones 2 and 3. The resolution will return to the Board for consideration at the next regular session.

## **PSA- Murray Lein- Occupational Therapy**

A Personal Services Agreement for the 09/10 year with Muray Lein, Occupational Therapist, was presented. The agreement will return to the Board at the next meeting for consideration.

## **09/10 Board Meeting Calendar**

In previous meetings the Board expressed a desire to change the week of monthly board meetings to the third Tuesday of the month. A calendar reflecting this change was presented and will be considered at the next meeting. (Note: the July 09 meeting is scheduled to take place on the second Tuesday of the month, July 14<sup>th</sup>.)

## **Summer Board Retreat**

The Board met in a retreat over two days last summer and asked to have a similar meeting this year. Board members were asked to forward topics for discussion to Laurie Urquhart.

**Other**

Several unidentified audience members asked if the Board could examine how responses to "blue cards" are handled; this will be discussed at an upcoming Board retreat.

The meeting was adjourned at 9:30 p.m.

**DESCRIPTION OF AGENDA ITEM:**

For the past several years, the Board held a monthly meeting on the second Tuesday of each month. During the school year, board meetings take place at varying locations around the District. Fourth and fifth Tuesdays have been set aside for work sessions, should they become necessary.

The attached calendar reflects that schedule (except the July 09 meeting, which occurs on the second Tuesday).

**RECOMMENDATION:**

The Superintendent recommends approval of the 2009/10 Board Meeting Calendar as listed in the July 14, 2009 Board Folder.
