Financial Report

Business Manager Julie Baldwin presented financial reports as of May 31, 2012. She reported local property taxes continue to come in strongly. This "local revenue" will result in the state's withholding approximately \$1.2 million from the district next year in State School Fund payments. (Local revenue collections result in less money from the state to districts).

Ms. Baldwin noted the unusual occurrence of having very similar numbers in both the monthly ADM and the year-to-date ADM, within .8 of each other.

She reported local capital project spending is strong, with approximately 63% of total funds spent in Lincoln County. CM/GC contractor T. Gerding Construction has spent approximately 82% of funds paid to it by LCSD in Lincoln County for the Toledo Elementary building, and 94% for the Waldport High building. (This does not include "soft costs", i.e., architectural fees, permits, insurance, etc.- many of which are not available locally).

Mr. Rinearson presented a plaque to 2011-12 Board Chair Ron Beck and thanked him for his service as Chairman.

Savory Café provided pizza, garlic rolls, salad and cookies, Pepsi provided beverages, and the News Times delivered the food.
