

FROM THE PRINCIPAL

Dear Parents and Community Members,

This redesigned annual report card issued by the Oregon Department of Education offers a summary of Crestview Heights School's student performance and academic growth. Although enrollment specifics are only shown from grades K-5 due to limited space on the report, the overall enrollment numbers and attendance rate includes grades 6-8.

In the 2012-2013 school year, Crestview Heights received an Overall State Rating of 3, which falls between 15% and 44% of schools in terms of academic growth and achievement. Our school's two-year overall academic achievement is rated at a 4, which falls between 44% and 90% of schools. Though not shown

on this report, Crestview Heights met academic growth targets for both reading and math last school year.

We value your partnership with us in providing the best quality education for your child. You can help your students' success by encouraging nightly reading, mastery of basic math facts, monitoring your student's homework, attending parent-teacher conferences, or even volunteering. We look forward to the 2013-2014 school year!

Thank you,

Principal | Kelly Beaudry

OVERALL STATE RATING

HOW ARE STUDENTS AT THIS SCHOOL PERFORMING COMPARED TO THOSE AT OTHER SCHOOLS?

The overall state rating is intended to summarize this school's particular successes and challenges. It is based on a combination of up to five factors. Three of these factors come from standardized test scores in reading and math: student achievement, student growth, and the growth of underserved subgroups. Please be aware that this rating is based mainly on high-stakes testing and accordingly, represents a limited view of student performance. Other aspects of this report card are designed to put this rating in the proper context.

- Level 1** = Falls into the bottom 5% of schools
- Level 2** = Falls between 5% and 15% of schools
- Level 3** = Falls between 15% and 44% of schools
- Level 4** = Falls between 44% and 90% of schools
