

FROM THE PRINCIPAL

Dear Parents and Community Members,

This redesigned annual report card issued by the Oregon Department of Education offers a comprehensive picture of what Taft Elementary School offers.

Last school year, Taft Elementary School received a State Overall Rating of 4. That means our students are showing results in academic performance and growth which exceed 44% of other elementary schools and not quite the top 10%. Our students are performing similarly to like-schools throughout the state. Taft is approaching above-average in the area of academic growth and subgroup growth. We are pleased to report that students are showing consistent growth

Our Hispanic/ Latino population is showing above average growth in the area of mathematics.

We promise to deliver the same excellence you have come to expect from us. You can help by monitoring your student's homework, attending parent-teacher conferences, or even volunteering. We look forward to partnering with you over the coming year to make sure all of our students reach their potential!

Thank you,

Principal | Christopher Sullivan

STUDENTS

OVERALL STATE RATING HOW ARE STUDENTS AT THIS SCHOOL PERFORMING COMPARED TO THOSE AT OTHER SCHOOLS?

The overall state rating is intended to summarize this school's particular successes and challenges. It is based on a combination of up to five factors. Three of these factors come from standardized test scores in reading and math: student achievement, student growth, and the growth of underserved subgroups. Please be aware that this rating is based mainly on high-stakes testing and accordingly, represents a limited view of student performance. Other aspects of this report card are designed to put this rating in the proper context.

Compared to all schools statewide in 2012-13, this school is rated as Level 4.

- Level 1** = Falls into the bottom 5% of schools
- Level 2** = Falls between 5% and 15% of schools
- Level 3** = Falls between 15% and 44% of schools
- Level 4** = Falls between 44% and 90% of schools
- Level 5** = Falls into the top 10% of schools

Compared to elementary schools with similar student demographics in 2012-13, this school's rating is above average.

- About average** = Falls into the middle third of comparison schools
- Above average** = Falls into the top third of comparison schools
