First In Proactive Dental Care

5 Reasons Willamette Dental Group is the Plan For You & Your Family

No Annual Maximum, No Deductibles

With no annual maximum and no deductibles, you will never exhaust your dental coverage and you don't need to satisfy a deductible before you can receive benefits.

01

Predictable, Low Out-of-Pocket Costs

Out-of-pocket costs for covered dental services are predictable, low copays. Combined with the low premium, you and your family won't be surprised by any unknown costs.

02

03

Orthodontic Benefits for All Ages

Orthodontic coverage is included for both adults & children. With no waiting periods & a predictable, low copay plus your office visit copay at each visit, members have access to affordable orthodontic care.

Exceptional Patient Satisfaction

We are dedicated to creating the best patient experience possible. With an average score over 90% on our patient satisfaction survey, our patients tell us we are doing something right.

04

Proactive Dental Care

Our approach to dentistry is rooted in science and revealed in holistic, accessible care. Through dentist-patient partnerships, we focus on promoting your long-term health rather than merely correcting what is bothering you today.
