Vice Chairman Turner read the proclamation and thanked Classified employees for their important contributions, calling them "incredibly valuable."

Update on Total Instructional Alignment- Lisa Carter Visit

Assistant Superintendent Sara Johnson updated the Board on "Total Instructional Alignment" and a visit by Lisa Carter, author of the book by the same name. The process involves alignment of our system to ensure students are taught the standards they need to know, alignment of curriculum with assessment, and the alignment of instruction.

Ms. Carter visited the district over four days, one in each geographic area. Principals designed training for their area/building, so each was somewhat different.

Dr. Johnson said Lisa Carter reported the quality of the work done by teachers and administrators is excellent, and said interest and enthusiasm for the effort is high. Total Instructional Alignment is a process rather than a product, and will continue year after year.

Director Martin commended the effort, calling it exciting and one she has hoped for. "Our students will be much better educated because of this," said Martin.

Extension on Insurance Agent of Record Services (Other than Health Benefits)

Business Manager Julie Baldwin reported staff is happy with the local availability and good service of Western States Insurance staff. She recommended extending the contract with the organization for an additional year. The Board will consider this at the next meeting.

Don Davis, Bill Turner, Jim Chambers, Brenda Brown, Pete Gintner, Rich Belloni, Julie Baldwin and one architect.

Mr. Belloni said the meeting went well, and said Attorney Pete Gintner would be updating the committee via email. District policies pursuant to this process may be presented to the Board at the March board meeting. The CM/GC process may facilitate the use of local contractors on construction projects.

As in past years, board members, principals and Learning Support Team members completed the evaluation form. ITEM:

TOPIC: Investment Policy - Bond Proceeds Only

PREPARED BY: Julie Baldwin

WILL BE PRESENTED BY: Julie Baldwin

TYPE OF ITEM: Consent Information Discussion Decision

DESCRIPTION OF AGENDA ITEM:

Current Board Policy DFA Investments does not allow for maturities that exceed 18 months. For maturities beyond 18 months, ORS 294.135(a) requires the Board adopt a policy that has been approved by the Oregon Short Term Fund Board. Staff is recommending Policy DFAA - Short-Form Investment which clearly identifies the authorized and suitable investments, safekeeping and custody of investments as well as diversification requirements and maximum maturities of three years.

In preparation for sale of GO Bonds in June, 2011, staff is submitting this policy for Board consideration. If adopted by the LCSD Board, it will then be sent to the Oregon Short-Term Fund Board.

SUPERINTENDENT'S RECOMMENDATION:

For discussion only at this time.

Short-Form Investment (Bond Proceeds Only)

1.0 Policy Statement

Oregon Revised Statutes Section 294.135 and 294.052 generally requires a local government to have its investment policy reviewed by the Oregon Short Term Fund Board ("OSTFB") before the local government adopts the policy and makes investments that are longer than 18 months from their purchase date. The Lincoln County School District may wish to invest its bond proceeds longer than 18 months to match investment maturity dates to the expected schedule for payment of construction costs. The OSTFB has made this short-form policy available to local governments that desire to invest only bond proceeds or bond related funds described in ORS 294.052 for more than 18 months, and that desire expedited review by the OSTFB before the investment policy is adopted. This short-form policy contains very substantial limitations and does not provide the Entity with the controls or flexibility that a comprehensive investment policy should provide.

2.0 Scope

This investment policy applies only to the investment of bond proceeds or bond related funds described in ORS 294.052. All other funds of the Entity that are subject to ORS 294.135 will be invested under 18 months.

3.0 Objective

The primary objectives, in order of priority, for the Entity's investment under this policy are as follows:

- 3.1 Legality: The investments will be in compliance with all statutes governing the investment of public funds in the State of Oregon.
- 3.2 Liquidity: The investments will be made in a manner that generates sufficient cash flow to meet the expected project cost schedule. A liquidity component of at least 10% of the current bond proceed balance will be maintained in cash and/or the LGIP, assuming that this amount is within ORS 294.810 restrictions.
- 3.3 Safety: Investments are limited to U.S. Treasury, non-callable fixed rate Government Sponsored Enterprise and Agency securities, and Senior unsecured debt obligations guaranteed by the Federal Deposit Insurance Corporation under the Temporary Liquidity Guarantee Program (TLGP) described in Section 8.0, below.
- 3.4 Yield: The yield will be dependent on the timing of the investments.

4.0 Delegation of Authority

The Custodian of Funds is responsible for all investment decisions.

5.0 Ethics and Conflicts of Interest

Officers and employees involved in the investment process shall refrain from personal business activity that may conflict with the proper execution of the investment program, or may impair their ability to make impartial investment decisions.

6.0 Authorized Financial Dealers and Institutions

The Custodian of Funds will maintain a list of dealers with whom they are authorized to do business. These may include “primary” dealers or regional dealers that qualify under SEC Rule 15C3-1 (uniform net capital rule). If an investment advisor is hired, the advisor may execute directly with the approved dealers.

7.0 Investment Advisory Services:

The Entity may seek outside investment advisory services to assist with the investment of bond proceeds. The services will be non-discretionary and the advisor shall be required to act with fiduciary responsibility.

8.0 Authorized and Suitable Investments

Only the following investments may be purchased under this policy:

- Obligations of the U.S. government;
 - U.S. Treasury Notes, Bonds and Bills.
 - Senior unsecured debt obligations guaranteed by the Federal Deposit Insurance Corporation under the Temporary Liquidity Guarantee Program (TLGP).
- Obligations and guarantees of U.S. government agencies, corporations wholly owned by the U.S. government or any Government Sponsored Enterprises (GSE’s): Specific listing:
 - Federal Home Loan Bank – FHLB.
 - Federal Farm Credit Bank – FFCB.
 - Federal Home Loan Mortgage Corporation – FHLMC.
 - Federal National Mortgage Association – FNMA.
- All treasury and agency securities must be non-callable with a fixed rate
- Oregon Short-Term Fund – LGIP.

9.0 Safekeeping and Custody

All security transactions entered into by the Entity will be conducted on a delivery- versus-payment (DVP) basis. Securities may be held in safekeeping by a third party custodian designated by the Custodian of Funds.

10.0 Diversification

The Entity will diversify the total bond project funds by issuer.

Diversification by Issuer:

- U.S Treasury Issues Up to 100%
- TLGP Up to 35%, with no more than 5% per issuer
- Agency (GSE’s) Up to 33% per issuer
- LGIP/Cash Minimum of 10% of bond proceeds, maximum is the lesser of 100% or the amount permitted by ORS Chapter 294.810

11.0 Maximum Maturities

Maximum Maturity of Single Issue 3 years

12.0 Reporting Requirements

The Custodian of Funds shall prepare quarterly and annual investment reports summarizing the investment portfolio as to types of investments, earnings, maturities, cost, transactions and mark - to -market values.

13.0 Internal Controls and Accounting Method

The Custodian of Funds, in conjunction with the Secretary of State's office will evaluate conformance of the portfolio with the Investment Policy and audit internal controls. The Entity shall comply with all required legal provisions and Generally Accepted Accounting Principles (GAAP) relating to investment accounting.

14.0 Investment Policy Adoption

Must be adopted annually by the Local Government Governing Body and minutes sent to the Oregon State Treasury.
