

FROM THE PRINCIPAL

Dear Parents and Community Members,

As a school, we continue to address improvement in math by focusing our resources on aligning with the Common Core State Standards (CCSS) through utilization of an online courseware system and the expansion of a math lab. English Language Arts state test scores have remained high while transitioning to the new testing requirements.

We promise to deliver the same excellence you have come to expect from us here at Career Tech Charter High School. You can help by monitoring your student's homework and attending your student's performance evaluations. You may review your student's program at any time. Our contact information is available at www.careertech.us/about_us.htm. We look

forward to partnering with you over the coming year to make sure all of our students reach their potential!

Thank you,

Principal | Sean Larsen

SCHOOL PERFORMANCE

Performance of students enrolled in the school for a full academic year

Did at least 95% of the students at this school take required assessments? Yes No, Interpret Results with Caution
Participation rate criteria are in place to ensure schools test all eligible students.

The Smarter Balanced and alternate assessments have four performance levels where levels 3 and 4 are meeting the standard for school and district accountability.
