

FROM THE PRINCIPAL

Dear Parents and Community Members,

This report card issued by the Oregon Department of Education offers a school profile based on a number of categories. In the 2015/16 school year, Taft Elementary was focused on student growth and building programs to help make our students successful. As a district, Lincoln County School District has a plan in place to increase academic achievement and focus on student growth with the goal of increasing the achievement level of all students. We are working with our teachers to improve instruction to meet individual student needs.

Taft Elementary will continue to focus on student growth and putting interventions in place to help increase academic achievement. We value our partnerships with the community and look forward to working with all of our stakeholders to ensure all students reach their potential.

Thank you,

Principal | Nick Lupo
