## FROM THE PRINCIPAL

Dear Parents and Community Members,

Thank you for reviewing the report card for Taft Elementary.

This report card issued by the Oregon Department of Education offers a school profile based on a number of categories.

In the 2016-17 school year Taft Elementary's goal was making student growth with a focus on Reading and Math. Taft Elementary is a 3rd to 6th grade school and is working to improve instruction and create systems by implementing the AVID elementary program. Headed into year two of AVID elementary we are excited to have an additional 13 teachers trained. As a Title 1 school, we work to identify student needs and create appropriate interventions to support their growth.

We will continue to work with all of our teachers to improve instruction to meet individual student needs. We value our partnerships with the community and look forward to working with all of our stakeholders to ensure all students reach their potential.

Thank you,

Principal | Nick Lupo

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.
