FROM THE PRINCIPAL

Dear Parents and Community Members,

Learner subgroup.

Thank you for reviewing the report card for Sam Case Elementary School for the 2016-2017 academic school year. This report card, issued by the Oregon Department of Education, offers a school profile based on a number of categories. The third through fifth grade students at Sam Case took assessments in both math and reading for the Smarter Balanced Assessments that measure college and career readiness. As we continue to focus on the academic improvement in Lincoln County schools, Sam Case will strive for academic and character education excellence for all students. We have identified areas of improvement for all students at Sam Case including those in our English Language

Thank you,
Principal | Shelley Moore

STUDENTS

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.
