

Thank You, Lincoln County Voters, for supporting Lincoln County School District's \$63 million bond measure for **School Improvement Projects!**

Your tax dollars were used to renovate our public school buildings & campuses with a focus on improving student learning, safeguarding our students & staff, and protecting our community's investment in schools. We pledged to spend your tax dollars at home, here in Lincoln County, as much as possible. **WE ARE PROUD TO SAY THAT WE ACCOMPLISHED THAT GOAL!**
