Call to Order- Establishment of a Quorum

The school board met in regular session on February 9, 2016 at Sam Case Elementary School with a quorum of four board members present, and approximately 30 members of the staff, media and patrons in the audience.

Communications

Food Services Director Patty Graves distributed a newsletter to the Board, and noted each elementary school will be receiving a “water garden” self-cleaning fish tank that grows food.

She also reminded the board of the upcoming future chefs’ competition on Saturday, March 19th.

WSE consultant David Dahle introduced himself, saying he is working to connect positive school news using social media.

Newport Middle Principal Aaron Belloni presented each board member with a homemade canvas plaque created by Leadership students. They were created to honor board members in observance of Board Recognition month.

Board Reports

Director Amanda Remund reported the south area recently held a successful Booster auction.

Chairman Liz Martin noted she attended “alumni night” at Taft High. She said the climate at the school is very positive.

Student Representatives

Sam Case students Blair Thompson, Braylon Belloni, Ella Jenkins and Layla Schroeder addressed the board about their “no chocolate milk” campaign. The students reported chocolate milk has too much sugar to be considered healthy.

West Area Report-

Sam Case Principal Tiana Tucker reported over 1,000 people attended the Newport science fair. “The fair enhanced inquiry and creativity for our students,” said Tucker.

With the new configuration of Sam Case, Ms. Tucker started the year with a blend of teachers from several schools. “They all have a voice.” she said.

Wednesday professional development days at the school have gone well and are appreciated by staff. Mid-year STAR results show most students are on track to attain one year’s growth over the course of the year. Each student takes part in leveled reading and math for 30 minutes each day; teachers examine student data on professional development Wednesdays. ESOL students’ (about 22% of the school’s population) literacy skills are growing, and math results are improving dramatically.

Ms. Tucker reported the school is nearly at capacity with the number of students attending. Students have character education once per week. All students received a new school t-shirt this year; the school is sending a team to Battle of the Books. The school has a Facebook page and Instagram.

Financial Reports

Business Manager Julie Baldwin reported nothing unanticipated in the month of January. She noted the state legislature still has some decisions to make regarding revenue. The ending fund balance has increased, which will accommodate the spending of \$1 million the second year of the biennium.

The first estimate from the state for next year’s funding is due March 7th. Interest rates have increased to above one half of one per cent.

Superintendent’s Report

Superintendent Boynton recognized Taft and Newport High Schools for their receipt of Nike School Innovation grants. The grants will fund the AVID program, which supports high school success and college/career readiness.

The Superintendent gave kudos to the Newport High band and their teacher (Rachel Steward), who were invited to perform in the Grand Floral parade in Portland on June 11th.

Mr. Boynton thanked and recognized the many students from Taft and Newport High Schools for their support at the recent COSA conference at Salishan. Taft High student Erica Haun sang the national anthem, accompanied by Essential Skills students who signed the song; Taft Leadership students manned the welcome booth; Taft culinary students catered all the receptions and the Newport High jazz band performed at the event.

Superintendent Boynton gave kudos to Safety Coordinator Sue Graves, for her recognition in a recent letter from Hatfield Marine Science Center Director Robert Cowen. Mr. Cowen expressed "tremendous appreciation" for Ms. Graves and her expertise on tsunami preparedness and an information sharing plan.

The Superintendent noted the Newport science fair had more than 1,000 attendees and 150 displays. He reminded the board of an upcoming policy work session February 23rd, 6:30 at Newport High, and said that all district facilities will be closed for the Presidents' Day holiday February 15th.

On motion of Director Bondley, seconded by Director Remund, the Board unanimously approved the finalized contract between the LCSD Board of Directors and the Lincoln County Education Association for the July 1, 2015 through June 30, 2018 time period. Information on CTE Course Descriptions

This item was continued to the next meeting.

Calendar, RFP for Audit Services

The district is participating in a joint public agency RFP for audit services along with the Linn-Benton-Lincoln ESD and several other districts. The process is being coordinated by the ESD; a notice of RFP will be published in the News Guard, the News Times and several other newspapers in the valley.

Proposals will be received in early March, with a recommendation to the Board of Directors for final selection in April. Audit services are being requested for five years, with the possibility of an extension of an additional two years.

Contract Extension, Banking Services

Oregon Coast Bank (OCB) has provided banking services to LCSD since July 1, 2005. The district has been very satisfied with the services and banking relationship we've had with OCB. Policy DG allows three one-year extensions to the original five year contract. Staff is proposing a one-year extension, with would be the third and final one. This item will return for the board's consideration at the next meeting.

Policies, Section I

The Board began a complete rewrite of district policies during the last school year with the help of Oregon School Boards Association. They last met in a work session to discussion Section I, Instruction on January 26, 2016.

The board will complete the review of Section I and Sections K/L at a work session on February 23rd. A draft version of all of the policies will be available on the district website once the process is complete. The Board hopes to adopt all of the policies at the June 2016 regular session.

Public Statement, Superintendent's Evaluation

Chairman Liz Martin reported the Board conducted the annual evaluation of Superintendent Boynton and issued a statement about the evaluation. Ms. Martin reported the board commended the Superintendent on his passion in implementing the Board's vision of "every child, every day." They gave him kudos on fiscal management, and noted "Our learning environment continues to grow under his leadership," The statement also said Mr. Boynton's integrity is beyond reproach and that he promotes exceptional moral and ethical practices.

The board will be meeting with the superintendent in the coming months to establish goals.

The meeting was adjourned at 7:59 p.m.

ITEM:

TOPIC: Superintendent Contract

PREPARED BY: Laurie Urquhart

WILL BE PRESENTED BY: Michael Morgan/Liz Martin

TYPE OF ITEM: Consent Information Discussion Decision

DESCRIPTION OF AGENDA ITEM:

Last school year, the board evaluated Superintendent Boynton favorably and offered him a new three year contract, which was never finalized. At this time, the board would like to implement a new three year agreement, to expire June 30, 2018, modifying current language and adjusting the salary based on the same comparative rationale as was considered in other collective bargained group discussions.

Administrative contracts cannot be longer than three years, per state law.

The Board received the contract under separate cover.

SUPERINTENDENT'S RECOMMENDATION:

The board may offer a three-year contract to Superintendent Boynton, to expire June 30, 2018.

TOPIC: CTE Course Descriptions/Addition

PREPARED BY: Laurie Urquhart

TYPE OF ITEM: Consent Information Discussion Decision

DESCRIPTION OF AGENDA ITEM:

In reviewing existing courses, staff discovered that some of the courses need to be broken down into more detailed components and numbers in order to better describe career pathways and maximize our opportunity to receive available funding under a new "Career Pathways" program through ODE. Restructuring courses in this manner will allow the district to maximize potentials and increase opportunities for students. It will also assist in identifying career pathways to high demand jobs.

Director of Secondary Education Eric Clendenin will share information with the board about the process.

None; for discussion at this time.

ITEM:

TOPIC: Grades 7 and 8- Middle Schools

PREPARED BY: Laurie Urquhart

WILL BE PRESENTED BY: Steve Boynton

TYPE OF ITEM: Consent Information Discussion Decision

DESCRIPTION OF AGENDA ITEM:

Several district schools are configured with grades 7 through 12. Staff is exploring the possibility of organizing the schools so that grades 7 and 8 are separate from grades 9 through 12 for ODE reporting purposes only. This would enable staff to be able to compare schools more efficiently, with like grades compared to like grades.

The location of the schools would not change; the reorganization is internal only. Currently grades 7 and 8 are located in different spaces from the high school grades and have different lunch hours.

The desired outcome for this change is to help the district find a better way to understand assessment and data.

SUPERINTENDENT'S RECOMMENDATION:

For discussion at this time.

PREPARED BY: Laurie Urquhart

TYPE OF ITEM: Consent Information Discussion Decision

DESCRIPTION OF AGENDA ITEM:

The 2016-17 area calendars have been developed by principals to best address the needs of their schools, using the approved 2016-17 District calendar as their template.

Regular staff collaboration and professional development time has been included on the calendars. Staff proposes using similar calendars to those used this year, with the north and west areas using a semester system and those in the east and south using a trimester system.

RECOMMENDATION:
