

NASA Summer Day Camp for students entering grades 6 - 8

NASA Camp: Mission Earth!

Come Join Us and Explore Earth's
Biosphere, Pedosphere,
Hydrosphere, and Atmosphere!

August 6 - 9, 2018
8:30am - 3:30pm

Hatfield Marine Science Center in Newport, OR

Cost: FREE!

This free, four-day summer camp is designed for middle school students entering grades 6 - 8. Join us in this hands-on, outdoor/indoor day camp to learn about the "spheres" in coastal environments. Discover our unique biosphere, hydrosphere, pedosphere, and atmosphere while engaging in fun exploration.

Materials and snacks provided. Day campers should bring sack lunch, reusable water bottle, and clothing appropriate for outdoor exploration.

Space is limited; Pre-registration Required
Register at <https://tinyurl.com/MissionEarth2018>

This summer camp is possible thanks to the support of:
*NASA Science Mission Directorate
*Northwest Earth and Space Sciences Pipeline (NESSP)
*Washington NASA Space Grant Consortium
