

## Formulation of Administrative Regulations

The Board will delegate to the superintendent or designee the function of specifying required actions and designing the detailed arrangements under which the schools will be operated. Such detailed arrangements will constitute the administrative regulations governing the schools. All administrative regulations will be given to the Board as information items.

The administrative regulations must be in every respect consistent with the policies adopted by the Board. The Board will formulate and adopt administrative regulations only when specific state laws require Board adoption, and may do so when the superintendent or designee recommends Board adoption in light of strong community attitudes or probable staff reaction.
