

Board Orientation

Under the guidance of experienced Board members and the superintendent, orientation will be provided to new Board members through activities such as:

1. Workshop for new Board members conducted by state and area school board association;
2. Discussions and visits with the superintendent and other members of district staff;
3. Provision of printed and audiovisual materials on Board and administrative policies and procedures.

Mentorship of a new board member is usually done by the vice chair; if that is not possible, the Board will select another board member.

Orientation shall be considered an ongoing process for all Board members, and may also include the following:

1. Attendance at Board and administrative conferences (local, area, state and national);
2. Exchange of ideas through joint meetings with neighboring boards.
