

Lincoln County School District

Code: **EBBAB**

Adopted: 7/09/02

Revised/Readopted: 6/14/16 (Effective 7/01/16)

Orig. Code(s): EBBAB

Compliance with OR-OSHA Bloodborne Pathogens Standards

The district will comply with the Oregon Occupational Safety and Health Administration (OR-OSHA) standard(s) as related to bloodborne pathogens. This policy is to ensure compliance with governmental regulations for the prevention of severe health risks to employees that may be transmitted by communicable disease. It includes, but is not limited to, the OR-OSHA and federal regulations as currently published at 29 CFR Section 1910.1030.

The superintendent or designee will develop rules and regulations which encompass an Exposure Control Plan to implement procedures which will ensure compliance with governmental regulations.

END OF POLICY
