

COVID-19 SAFETY PRECAUTIONS LINCOLN COUNTY SCHOOL DISTRICT

Here are some guidelines to help staff be safe and healthy and implement social distancing measures while preparing, handing out, or delivering meals, instructional packets, or other items.

SICKNESS: If you or if someone at your home is sick (cough, fever, sore throat, runny nose, or any kind of sickness that could potentially be contagious), please do not come in to work. Stay home. Seek medical attention if needed.

KITCHEN & FOOD PREP AREAS: Wear gloves and mask. Follow all other required food safety regulations. Space workstations at least 6 feet apart to avoid making physical contact with others. Sanitize hands and surfaces regularly.

INDOOR WORK STATIONS: Wear a mask. Space workstations at least 6 feet apart to avoid making physical contact with others. Sanitize hands and surfaces regularly.

BUS OR HOME DELIVERIES: Wear a mask. Practice no contact hand-offs. When delivering items at bus stops, do not make physical contact with families. Maintain a minimum of 6 feet separation. When delivering to homes, do not go into a home. Leave items near the door. Notify families when items have been delivered. Wash hands after knocking or ringing doorbells.

OUTDOOR DELIVERY OR PICKUP: Wear a mask. Practice no contact hand-offs. When giving items to families, do not make physical contact with others. Don't touch or reach into vehicles. Maintain a minimum of 6 feet separation. Sanitize hands and surfaces regularly.
