

# LCSD Parent E-Learning Assessment Tool

Is E-Learning a good option for my child/children?

## Edmentum E-Learning is a good fit for my child/children

- My child/children will be online even when LCSD transitions into hybrid model
- My child/children is/are able to learn independently
- My child/children is/are highly motivated to learn at their own pace
- My child/children has access to reliable internet
- My child/children is/are tech savvy and comfortable learning online
- My child/children is/are responsible and seeking help when needed

## Edmentum E-Learning may be a good fit for my child/children

- I feel confident about my child's/children's ability to learn independently online
- Flexibility in schedule would benefit my child/children and family
- Working within a self-paced platform could benefit my child's/children's performance
- My child/children enjoy(s) learning on the computer
- My child/children has regular access to reliable internet access

## Edmentum E-Learning might not be the best fit for my child/children

- E-Learning is the last resort for my child/children
- I want something faster and easier than the traditional learning model
- My child/children struggle(s) to ask for guidance and help when questions arise
- My child/children does not enjoy learning on the computer
- My child/children needs to have teacher led instruction and peer collaboration
- My child/children will attend school when LCSD transitions into hybrid model
